

# NoDrama DevOps - Sprint 2019-MM-YY

<b>Date</b>	23 Aug 2019
<b>Team</b>	NoDrama DevOps
<b>Participants</b>	<i>names of retro participants</i>

## Objectives

- Objective 1
- Objective 2

## Stories

- Initial:
- Completed:
- Incomplete:

## Accomplished

*What did we accomplish this sprint?*

## Retrospective

*Think about and try to describe the circumstances and conditions that led to this sprint's experiences.*

What went well?	What did not go well?	What do we need?
Participant 1 Participant 2		<ul style="list-style-type: none"><li>• e.g. better information about X, more collaboration on Y</li></ul>

## Learned

*A few sentences summarizing what we learned this sprint.*

## Decisions

*What design or implementation decisions should be recorded in a decision record?*

## Improvement Actions

*What improvement opportunities should we pursue next? One or (maybe) two items.*
